DESIGN BY BCF DESIGN + DOMUSFALERII

Virgoletta ama la concretezza:
altezza comoda e profondità ridotta
aggiungono valore al suo design.
Virgoletta ama la praticità: lo scarico
rimless nascosto di ultima generazione
è più elegante, igienico ed efficiente.
Virgoletta ama la discrezione: il nuovo
scarico è ancora più silenzioso.
Per questo lo abbiamo chiamato “Shhh”...

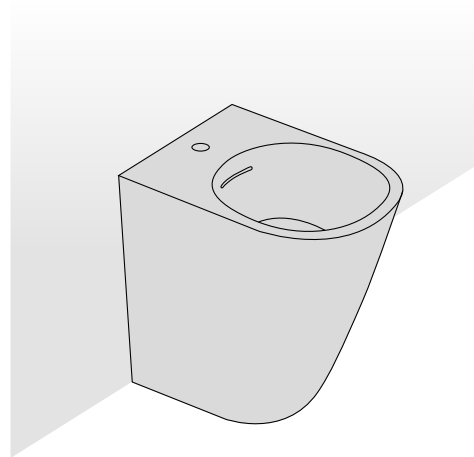

Virgoletta values substance:
a comfortable height and reduced
depth enhance its design.
Virgoletta values practicality:
the latest-generation concealed rimless
flush is more elegant, hygienic, and efficient.
Virgoletta values discretion:
the new flush is even quieter.
That’s why we called it “Shhh”...

scarico rimless / rimless flush system

Shhh è uno scarico rimless nascosto di ultima generazione. Funzionamento a vortice silenzioso, a soli 2,5 L: più discreto, più performante.

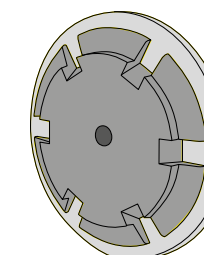

Shhh is a latest-generation concealed rimless flush. Its quiet vortex action uses just 2.5 L per flush: more discreet, more efficient.

/copripiletta/drain cover

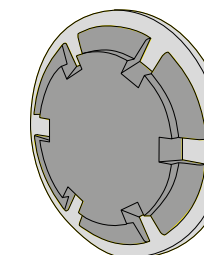

Lo scarico del bidet si apre e si chiude, ma l'elegante cover in ceramica resta fissa a filo del sanitario. Più comoda, più bella.

The bidet drain opens and closes, while the elegant ceramic cover remains fixed and flush with the fixture. More comfortable and beautiful.
